Education

Bachelor of Science in Information Science, University of Maryland, College Park, August 2022 - relevant coursework in media and entertainment

Skills

- Strong leadership, communication, and interpersonal skills
- Exceptional problem-solving, decision-making, and analytical skills
- Highly detail-oriented and organized. Adept at multitasking and managing competing priorities
- Familiarity with social media platforms and digital marketing strategies

Technical Skills

- Highly proficient in Excel, Word, Powerpoint and other common business applications
- Proficient in data analysis tools, such as Python and its common libraries (pandas, matplotlib), SQL databases, and Jupyter Notebooks
- Adept at managing websites. Redesigned a University of Maryland program's outdated website using modern design tools

Experience

Special Education Paraeducator. *Tilden Middle School*, Bethesda, MD, August 2022 - April 2023

- Assisted special education students in academic and social activities, collaborating with teachers to plan and implement individualized education plans (IEPs) for each student
- Worked one-on-one with students to enable students to reach IEP goals
- Designed and implemented differentiated small group activities
- Helped to create a safe and positive learning environment by managing student behavior and providing emotional support
- Assisted students with mobility issues and provided personal care as needed
- Adapted standardized instructional materials to meet the diverse learning needs of special education students, including those with physical and cognitive disabilities

Venue Production, *University of Maryland Student Entertainment Events*, September 2021-May 2022

- Supported the planning and coordination of high-profile University of Maryland events (e.g., concerts, shows, film screenings) such as John Mulaney and Stephanie Beatriz
- Assisted with daily administrative tasks, including scheduling meetings, managing calendars, and answering phones
- Conducted research on industry trends and talent, helping to identify potential artists
- Assisted with social media management and content creation, promoting events

The Film Intensive, *American University*, Washington, DC, Summer 2018 and 2019

- Worked on the production of ten short films (sound, editing, set design)
- Wrote and directed one film, *The Sighting*
